

The children have been studying the book *Bewilderwood* this half term. We have emersed ourselves in all areas of the curriculum: investigating materials that would keep us dry, den building, creating a marsh land and delving into the characters of the book.

This is all in preparation for our school trip to *Bewilderwood* on 1st May!!

using Guess Who to support our learning of adjectives.

We even created our own games for the Boggles in the village!

We visited Stanton Moor again as part of our book study and were lucky enough to bump into Lily, who lives out in nature, she was there on our previous visit and was so excited to see we had come back and that some of the children remembered her. The children showed off their curious sides and asked her lots of questions, whilst remaining sensitive to her way of living – it was so lovely to see.

We also went to Beacon Country Park in Loughborough – we love to get out and about to do our learning, we can describe so much if we have experienced it!

Trips

1st May – Bewilderwood, Cheshire

We will continue to explore the great outdoors:
Den building, safety around fire pits, survival skills, map reading

Learning for the Summer Term

Younger KS1

- Seaside
- Animals
- Textiles
- Coastal Features
- Adventure Fiction

Lower KS2

- Light & Forces
- Science v Magic
- Construction
- Adventure Fiction

Older KS2

- Earth & Space
- Exploartion of the unknown
- Into the depths
- Fabric Printing
- Adventure Fiction

Wow, what a busy Spring Term we have had!

Our curriculum theme this term has been Bewilderwood. This involved reading the book and going on lots of walks, looking at different terrains. We have booked a visit to Bewilderwood for after Easter when it re-opens for the summer.

We have had a Chinese New Year tasting afternoon which we all enjoyed. This was one of many activities the children have taken part in.

We have welcomed three new staff, Jorge (Teacher), Tracey (TA) and Natalie (TA).

I would like to say a big thank you to all the staff for planning and delivering an exciting curriculum for the children.

Julia, Headteacher.

Summer Term 1 Dates

Tuesday 22nd April - 10am Start

To

Friday 23rd May - 2pm finish

Bank Holidays 4th May

Please remind transport of these dates and times.
